## Message from Chief Executive

I am delighted to congratulate the awardees of this year's Pro Bono and Community Work Recognition Programme for their outstanding work on community services. Now in its 14<sup>th</sup> edition, the programme aims to honour individuals and firms in the legal profession that are devoted to pro bono and community work.

The theme of my Policy Address this year is "A Vibrant Economy for a Caring Community". I am pleased to see that our legal profession contributes to a vibrant economy by strengthening Hong Kong's position as an international hub for legal, deal-making and dispute resolution services. I am even more impressed that they help build a caring community in Hong Kong out of their hectic schedule by, among others, providing pro bono legal assistance to those in need and participating in various kinds of community work. Making legal services more readily available to the public and deepening their understanding of the legal system are particularly important to enhancing access to justice and consolidating the rule of law, which is the cornerstone of Hong Kong's prosperity and stability.

My thanks to The Law Society of Hong Kong for organising the Pro Bono and Community Work Recognition Programme and to the awardees for their valuable contributions. I am confident that they can serve as remarkable role models for fellow members of our legal profession in giving back to the community and together making Hong Kong a better place.

## Message from the Chief Justice

The rule of law is one of Hong Kong's greatest strengths. It is the cornerstone of our success as an international commercial and financial centre. The rule of law assures all individuals and entities that their rights are meaningful, enforceable and equal. Access to legal services is a crucial aspect of the rule of law, and lawyers assume a central role in their provision.

Over the years, the Law Society has played a significant part in promoting the provision of pro bono legal services to those who are facing legal issues. This has contributed immensely to the rule of law and helped enhance and deepen an understanding of the law by the public at large.

I would like to express my appreciation to the Law Society for providing a platform to its members to fulfil their social responsibilities. Credit must also go to all legal practitioners who have offered their time and effort in participating in this meaningful programme. Thank you!

# Welcome Message from the President of the Law Society and Chairman of Pro Bono and Community Work Recognition Committee

The rule of law is the cornerstone for Hong Kong' success and access to justice is one of the basic principles of the rule of law. Through offering pro bono service to the people in need, our lawyers help promote a justice system that is fair and accessible to everyone.

The Law Society of Hong Kong launched the annual Pro Bono and Community Work Recognition Programme ("the Programme") in 2010 to encourage the culture of giving back to the community and recognise lawyers and law firms for their outstanding achievements in performing pro bono and community services. This year, we received a record high number of applications for the awards, demonstrating the strong pro bono culture in our profession. Over the years, the Programme has awarded more than 2,000 lawyers and 300 law firms, recorded more than 550,000 hours of pro bono and community services since its debut 14 years ago.

With a view to foster the sense of service to the community among the younger generation, the 'Student Awards' for law students was introduced under the Programme this year. Engaging in pro bono as a student is a unique form of experience which will remain close to the heart of our younger generation and one day, it will develop into a life-long commitment for our future lawyers.

The Law Society is grateful for the unwavering support of our lawyers and law firms for the Programme and those community projects which we organise throughout the year, which have all been very well received. I would like to extend my congratulations and greatest gratitude to all our lawyers, law firms and law students, who will be awarded for your selfless dedication, valuable time and efforts in serving the society with great enthusiasm. You all played an important role in building a caring and inclusive society and with your continuous support, I am certain our community will go from strength to strength.

## 律師會會長兼公益法律服務及 社區工作嘉許委員會主席歡迎辭

法治是香港成功的基石，訴諸司法是法治的基本原則。透過為社會上有需要的人士提供義務法律服務，可達至人人享有平等渠道尋求公義。

律師會於2010年推出公益法律服務及社區工作嘉許計劃（「計劃」），鼓勵律師回饋社會，並嘉許律師及律師行在公益及社區服務方面的傑出成就。我們很高興看見法律界締造關愛社會及促進共融的承擔。計劃自推出14年來，已有超過2,000位律師和300間律師行獲嘉許，參與合共超過55萬小時的公益法律及社區服務。本年度獎項申請的人數更創歷史新高，展示了法律界越見鞏固的公益文化。

為了鼓勵年輕一代服務社會，我們今年特別為法學院學生增設了「學生獎」。我們相信以學生身份參與義務法律服務是一種獨特的專業經驗，並希望這些經驗能培養一眾未來律師對社會作出長遠的承擔。

律師會感謝會員對計畫及各項公益及社區服務堅定不移的支持，助我們法律界對香港成為一個公義、共融及關懷的城市，發揮了應有的角色。我謹向各位得獎律師、律師行和法學院學生致以熱烈的祝賀和崇高的敬意，你們以無私的精神獻出寶貴的時間並努力及熱情地去服務社會，均非常值得表揚。我衷心希望你們會繼續堅守著這份公益精神，繼續支持這個活動。

### **DOE JULIANNE PEARL**

Pro bono work and community services is sending a message of generosity, inclusion and contribution to our young people. We want our young people to want to give back, to inspire others to do so and to feel the same passion and dedication as so many members in our community do today.

Working with NGOs and charities provides amazing opportunities to acquire, exchange, disseminate and to apply knowledge to achieve a more advanced and a more caring society. They also seek to ensure that philanthropy, impact investing, social delivery, and corporate social responsibility meet the requirements of complex social issues in the 21st century. As well, I continue to focus on youth in the hope that we may provide opportunities to nurture young people as they take on the reins and lead Hong Kong in the coming days.

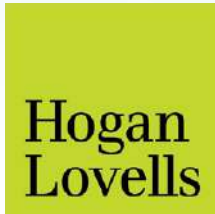

I am gratified by the opportunity to continue to participate in the new term for the LEAP programme, where Law students of the University of Hong Kong to have the opportunity to do pro bono legal work in my Firm.

The recognition programme goes a long way towards making community work and pro bono work a norm. It makes us focus on something that should take its place in importance in our professional lives, and that is to do good.
